“Cardinals Walk” Club

Recently the NC PTA established a partnership with Active Routes to School, one of the Community Partners for the "Cardinals Walk" Club. Robert Cooper was asked to write a paragraph for NC PTA about our school walking club. He told how the leaders among our two-year members have walked the equivalent of the distance from the Tennessee border along I-40 to Winston-Salem. He also told how, among those who started this year, the leaders have walked to Morganton. New members continue to join the club.
