Car Line Safety Tips/Reminders

- Please use your signal lights in the morning so the officer knows which way you are turning. This will cut down greatly on long lines and keep your students safe.
- Please place your car in park while waiting!
- Please make sure all clothing has cleared the car door!
- Please watch carefully when changing gears, do not place your *CAR IN REVERSE* by accident!
- Never let your child exit the car from the driver's side!
- Do not move if you see a child near your vehicle!
- Do not pass or cut in front of another vehicle!
- Please have children ready to exit the car upon arrival!

2nd Grade News

Second grade is off to a great start!

We have begun our **Reading Workshop** and are very excited to watch our students grow by leaps and bounds, not just on the playground, but also in the classroom, as readers. To cement children's expectations for a year in which they will grow and grow as readers, we'll remind them of the tale, "Jack and the Beanstalk," explaining that researchers who study young children as readers say that during second grade, readers grow just like that beanstalk!

PTA NEWS

We have many great events planned for this upcoming school year. **Please join us at 6:30 pm on Thursday, September 8, after Open House, in the Media Center** to learn more about our plans and how you can help.

One way you can help is to join our PTA. Please consider becoming a part of our association. We would love to have you!

Last year we made over \$2,600.00 collecting box tops. All of that money goes right back to the classroom for teachers to use for supplies. Thank you to all who clip those and turn them in. We will continue to participate in the **Box Tops for Education** program. Those are due to PTA by October 14th so get those to your classroom teacher quickly and continue to send them in throughout the school year.

We also participate in the **Ingles Tools for Schools**. All you have to do is link your Ingles Advantage Card to Clyde Elementary School, and then, when you shop be sure to scan your card. Proceeds add up fast.

Finally, on **Thursday, September 29th Clyde PTA will be hosting a Fall Festival.** We will send more details as we begin to plan for this exciting community event. Let your child's teacher or any member of the PTA know if you are available to help.

We look forward to another great year at Clyde Elementary!

Employment Opportunity!!!!

Haywood County Schools Nutrition Program is looking for cafeteria substitutes. Hours range from 3 to 6 hours a day. This is a great opportunity for stay at home parents or grandparents that might like to make a little extra money while the kids are in school. For more information, please call the School Nutrition Office at 627-1150.
