CLYDE CARDINALS FIGHTING CANCER

Clyde Cardinals are fighting cancer in honor of Mrs. Lou, our cafeteria manager and several other staff members that have fought cancer! The students have been participating in our “Kiss the Pig” contest by dropping coins in the administration/office staff jugs in the front lobby. The jugs have filled up quickly and the prediction is that MR. CONNER will be puckering up to kiss Pickles the Pig on Thursday, April 30th. We have also been racing around the cafeteria to beat cancer by purchasing paper feet from Student Council representatives to see if the boys or girls will win the race. It’s not too late...feet are on sale each morning in the front lobby. There is also a Faculty VS. 5th Grade basketball game on Thursday, April 30th at 1:45! Bring a quarter donation for admission and join in cheering for your favorite teachers and 5th graders! Stay tuned in May for an exciting opportunity to throw a pie at your favorite teacher also! Canton Relay for Life will be held on Friday, May 15th at the Canton Rec Park. Clyde Cardinals will be selling candy and soda. Please bring your family out to this fun event and help us fight cancer!
