June 2015

4182 Old Clyde Road, Clyde, NC 28721

## A NOTE FROM MR. CONNER

*The 2014-2015 school year is coming to an end. Looking back it is amazing to see how far we have come since we started last fall. Our students and staff have worked hard this year demonstrating a strong work ethic in their efforts to become life long learners. Our school community has been more involved than ever, with our parents showing their support to make so many extra curricular activities a success! We have had a Boy's Night, Girl's Empowerment Night and many school events all made possible because of positive attitudes and great student, teacher, and parent involvement.*

*During the summer Clyde Elementary School will be having a reading program on Mondays from 12:30 to 2:30. in the Media Center. We will also make class rosters available in early July with a "meet and greet" to follow that will give students strategies and material to jump start the new school year.*

*By working together to create an environment that fosters student learning and a strong community, Clyde Elementary will continue on its path to becoming one of the best schools in the state!*

**EACH STUDENT SHOULD BE BETTER FOR HAVING BEEN PART OF OUR SCHOOL!**

We would like to thank all of our students for their hard work this school year. We are all so proud of their accomplishments!

In order to continue growing as a reader, we would like to encourage all students to attend Clyde's Cardinal Reading Camp. If you have not received information about this opportunity, please let your teacher know and we will pass it on to you.

The Haywood County Public Library also has a great summer reading program called "Every Hero has a Story"! The kick-off at the Canton Branch will be June 4 at 4:00 and June 20 at 10:00 for the Waynesville Branch. There will games, crafts, cooking classes for kids, paper airplane contests and special visitors such as Haywood County Sheriff Deputies and their K-9 partners.

Please visit [www.haywoodlibrary.org](http://www.haywoodlibrary.org) for details!

Barnes & Noble and other bookstores usually offer summer reading programs where kids can earn free books! Check the web for additional information. Also, for a list of recommended books by age/grade level, please visit [www.imaginationssoup.net](http://www.imaginationssoup.net).
